

Our Parish Pastoral Council

Our Council is a body of parish members committed to serving the parish.

They bring varied perspectives, skills, and talents.

They act as representatives of our parish, helping our pastor to envision, plan, examine, and recommend policies and activities to assist the Pastor in enabling Gospel ministry in the Franciscan tradition.

Our Council members strive to encourage full participation in the life of our parish and to demonstrate that transparency and collaboration are possible and desirable in today's church.

Parish Mission Statement

St. Francis Parish is a Catholic Christian Community building the reign of God in the spirit and path of St. Francis and St. Clare of Assisi.

We value vibrant liturgy and personal prayer as a way to worship God and celebrate life.

Challenged by the Holy Spirit, we reach beyond ourselves to care for our neighbors, the poor, the marginalized, and those alienated by our Catholic Church.

We respond to the command of Jesus to love by welcoming all, evangelizing, supporting spiritual growth, and being Eucharist to each other.

We aspire to be witnesses and prophets advocating for justice in the world and in the Church.

We are an inclusive community respecting the dignity of all persons and supporting the journey of each person.

Building the Reign of God

St. Francis of Assisi Parish Pastoral Council

Representation

Our Council is an elected body of parish members committed to serving our parish community, working in close consultation with the pastor prayerfully to discern and to carry out the Will of God for our parish now and into the future.

Listening and Responding to the Spirit of God

Our Council, with the pastor and input from parish staff and parishioners, prayerfully considers what the Spirit of God is calling the parish to be and become.

Participation and Cooperation

Our Council provides the means whereby members of the parish can express ideas and concerns for the common good and mission of the parish.

Shared Practical Wisdom

In dialogue, members of the Council and the pastor come to an understanding of the spiritual as well as physical concerns and needs of the people of the parish and broader community. The council provides recommendations to the pastor in the development of parish policies and strategies to address those concerns and needs..

Parish Planning

The Council, along with staff, and responding to feedback from all members of the parish community, works with the pastor on parish planning. This includes an annual assessment of needs, setting of parish goals and priorities, and parish budget review.
