Holy, Holy, Holy Lord God of hosts.  
Heaven and earth are full of your glory.

Communion:

**We Come to Your Feast**

Michael Joncas

We place upon your table a gleaming cloth of white:  
The weaving of our stories, the fabric of our lives;  
The dreams of those before us, the ancient hopeful cries,  
The promise of our future: our needing and our nurture lie here before our eyes.

**REFRAIN**

We come to your feast, we come to your feast: the young and the old, the fright-ened, the bold, the great-est and the least. We come to your feast, we come to your feast with the fruit of our lands and the work of our hands, we come to your feast.

We place upon your table a humble loaf of bread: the gift of field and hillside, the grain by which we're fed;  
we come to taste the presence of him on whom we feed,  
to strengthen and connect us, to challenge and correct us, to love in word and deed. **(Refrain)**

We place upon your table a simple cup of wine: the fruit of human labor, the gift of sun and vine;  
we come to taste the presence of him we claim as Lord,  
his dying and his living, his leading and his giving, his love in cup outpoured. **(Refrain)**

We gather around your table, we pause within our quest,  
we stand beside our neighbors, we name the stranger "guest."  
The feast is spread before us; you bid us come and dine:

in blessing we'll uncover, in sharing we'll discover your substance and your sign. **(Refrain)**

Sending Forth:

**Joyful, Joyful, We Adore You**

Ludwig van Beethoven

Joyful, joyful, we adore you, God of glory, Lord of love;  
Hearts unfold like flowers before you, opening to the sun above.  
Melt the clouds of sin and sadness; drive the dark of doubt away.  
Giver of immortal gladness, fill us with the light of day!

All your works with joy surround you, earth and heaven reflect your rays,  
Stars and angels sing around you, center of unbroken praise.  
Field and forest, vale and mountain, flowery meadow, flashing sea,  
Chanting bird, and flowing fountain sound their praise eternally!
